TERMS AND CONDITIONS

OPTIONS EXPIRING 30 JUNE 2022

The Options are issued on the following terms:

1. Each Option may be exercised by giving notice in that regard together with payment of the amount of \$0.006 (**Exercise Price**).
2. Each Option entitles the holder to subscribe for one fully paid ordinary share (**Fully Paid Share**) in Surefire Resources NL ACN 083 274 024 (**SRN** or the **Company**) upon payment of the Exercise Price, and when converted, the Fully Paid Share shall rank pari passu with the existing class of ASX:SRN.
3. The Options will lapse at 5:00 pm on 30 June 2022 (**Expiry Date**).
4. The Options are transferable at any time in accordance with the Corporations Act 2001 and any applicable rules of ASX.
5. There are no participating rights or entitlements inherent in the Options and holders of the Options will not be entitled (as a consequence of holding Option) to participate in new issues of capital that may be offered to shareholders during the currency of the Options.
6. The Option holder has the right to exercise Options prior to the date for determining entitlements to any capital issues to the then existing shareholders of the Company made during the currency of the Options, and will be granted a period of at least 3 business days before the relevant closing date to exercise the Options.
7. Subject to any requirements of the Corporations Act and ASX Listing Rules, the Options do not confer the right to a change in exercise price or the number of securities over which the Option can be exercised.
8. In the event of any re-organisation (including reconstruction, consolidation, subdivision, reduction or return of capital) of the issued capital of the Company, the Options will be re-organised as required by the Listing Rules, but in all other respects the terms of exercise will remain unchanged.
9. Unless approved otherwise by the Company on a case-by-case basis (with no obligation on the Company to do so), Options can only be exercised in parcels of not less than 500,000, except where the total Options held by the holder is less than 500,000 (in which case, all Options held by the holder must be exercised and the costs of filing with ASX in connection with the exercise to be borne up front by the Option holder). Subject to ASX listing rules, the Company shall not be obliged to issue Shares in response to an exercise of Options more frequently than once per calendar quarter. The Company may, in its discretion, waive this clause or any part of it and such a waiver may be subject to conditions or further limitations.
10. Subject to clause 9, the Options shall be exercisable at any time during the period (**Exercise Period**) ending on the Expiry Date by: (a) the delivery to the registered office of the Company of a notice in writing (**Notice**) stating the intention of the Option holder to exercise all or a specified number of Options held by them accompanied by cleared funds for the subscription monies for the Shares; or (b) such other form and method as may be approved by the Company from time to time. The Notice and cleared funds must be received by the Company during the Exercise Period. An exercise of only some Options shall not affect the rights of the Option holder to the balance of the Options held by it PROVIDED THAT if the remaining number be less than 500,000 those Options shall ipso facto lapse.
